

Australian Government

Austrade

Australian Trade Commission
Annual Report 2007-08

Australian businesses | Global markets

Mission

To contribute to national prosperity by promoting productive two-way investment and assisting more Australians to succeed in export and international business.

Vision

To be recognised as:

- one of the world's leading trade and investment development agencies
- a significant contributor to Australia's economic growth and the globalisation of Australian business
- an organisation that excels in client service, information management and the development of the full potential of its people.
