

Austrade File List – 1 January to 30 June 2019

Relevant hard copy files created during the reporting period 1 January to 30 June 2019 are listed below.

Note:

Austrade is currently transitioning to electronic filing in line with government requirements and is working to implement an Electronic Document Records Management System (EDRMS). Official paper-based files are being phased out. Pending the implementation of an EDRMS and the investigation of producing a Harradine list, file lists provided in accordance with the Harradine Senate Order will only reflect relevant hard copy files created during the reporting period and will be incomplete.
