¹ These contracts pre-date Austrade becoming an FMA agency and the requirement to comply with FMG3. The confidentiality provisions do not clearly align with the explanations detailed in the guidance and accordingly, the category "Other" has been used to indicate this discrepancy.

After becoming an FMA agency, internal processes were amended to ensure contracts are consistent with the requirements of FMG3.

² This SAP contract was let prior to 1/7/06 and Austrade became an FMA Agency and prior to mandatory reporting requirements. The software license is renewed every year. This contract is for the current year's software license.
