

FINANCIAL YEAR 2013/14 SENATE ORDER ON DEPARTMENTAL AND AGENCY CONTRACTS LISTING RELATING TO THE PERIOD 1st JULY 2013 – 30th JUNE 2014

Pursuant to the Senate Order on departmental and agency contracts, the following table sets out contracts entered into by the AUSTRALIAN TRADE COMMISSION (AUSTRADE) which provide for a consideration to the value of \$100 000 or more and which:

- a) have not been fully performed as at 30th June 2014, or
- b) which have been entered into during the 12 months prior to 30th June 2014.

Most of the contracts listed contain confidentiality provisions of a general nature that are designed to protect the confidential information of the parties that may be obtained or generated in carrying out the contract.

The reasons for using general confidentiality clauses include:

- ordinary commercial prudence that requires protection of trade secrets, proprietary information and the like; and/or
- protection of other Commonwealth material and personal information; and/or
- contracts signed under previous contracting practice wherein elements of the contract or the entire contract were accepted as being 'commercial-in-confidence'. Contracting policy has since changed.

The "Whether contract contains other requirements of confidentiality (Yes/No)" column has only been populated with a "Yes" where a contract contains a confidentiality provision that does not fall into the general confidentiality category referred to above. Where either of the confidentiality columns has been populated with a "Yes", the details of the relevant provision is given in the "Reason(s)" column.
