WHERE CAN I FIND MORE INFORMATION?
The Australian Government’s Foreign Policy White Paper sets out a comprehensive framework to advance Australia’s security and prosperity in a contested and competitive world. The aid programs action this by supporting inclusive growth and poverty reduction with a strong focus on the Indo-Pacific region. The Australian Government relies on a range of partners to deliver our aid program including business, non-government organisations, universities, and multilateral organisations.

Video: Doing business with DFAT
Welcome to the Australian Government's procurement information system

AusTender provides centralised publication of Australian Government business opportunities, annual procurement plans, multi-use lists and contracts awarded.
GRANT OPPORTUNITIES

The grant opportunities page on the DFAT website has links to a number of Grant Programs

  - ports

• Deal sizes?
  +$5 million +$50 million +$100 million
  - Aggregation of small projects
CONSTRUCTION MANAGEMENT PANEL

• Tender likely to be released by November this year – contracts in place by July 2020.
• Tender will seek services such as feasibility and engineering studies, design, construction management and project management. The panel may service AIFFP, other areas of DFAT, other Commonwealth agencies, and sovereign borrowers from AIFFP.
• Selection criteria will emphasis our infrastructure values - focused on quality.
