

# AUSTRADE AMERICAS EDUCATION SPECIALISTS

Australian Government  
Australian Trade and Investment Commission

## ABOUT AUSTRADE

Austrade's mission is to deliver quality services to Australian businesses, to develop international markets and to win productive foreign direct investment.

We have a network of education specialists in the Americas. They provide market insights and advice. They also offer services, including to promote study in Australia. They build networks and customer relationships to generate opportunities and to facilitate partnerships and industry linkages for Australia's education sector.

Our team's focus is in four key areas: student recruitment, vocational education and industry training, edtech and attracting research funding.
