If you are a new applicant or existing grantee and have been impacted by COVID-19 or a natural disaster, please contact your Customer Service Manager or one of the agents at our [Contact Centre](#) to discuss your circumstances and how we can assist you. You can find more information and support on our [Emergency management](#) page.

Business Growth Grants

If you've received one of our Business Management services, you can apply for a Business Growth Grant. With the grant you can engage external expertise to implement the recommendations in your Business Management plan.

Announcement

The guidelines for this services have recently changed. You
