

GUIDE TO SCHEDULE 9E

EXPORT EARNINGS – RELATED ENTITIES

UPDATED 22 MAY 2019

GUIDE TO WHAT YOU CAN CLAIM ON THIS SCHEDULE

If your business is incorporated under the Corporations Act 2001 and you have incurred expenses promoting export sales for a related entity, you may include in your EMDG application the export earnings of the related entity resulting from your claimed promotional activities.

For this purpose related entity means:

- A company incorporated under the Corporations Act 2001 that controls or is controlled by the applicant. The test of 'control' is that found at Section 50AA of the Corporations Act 2001

- a company incorporated under the Corporations Act 2001 that has the same shareholder or shareholders as the applicant
- An Australian resident director of the applicant company.

Note: only income received in the grant year from exports should be included in this schedule.

Export Earnings received in the grant year

Provide the amount of export earnings received in the grant year.

EXAMPLE:

Applicant Company XYZ Pty Ltd incurs expenses of promoting export sales of IP in relation to medical treatment owned by its parent company ABC Pty Ltd in its EMDG claim. XYZ claims in the grant year and prior years were limited to expenses for the promotion of the medical treatment IP royalties, although ABC also exported goods during the grant year. These good exports were achieved independently of any promotional expenses ever claimed in XYZ claims.

ABC Pty Ltd received IP royalty income of A\$500,000 during the grant year. It also received \$100,000 from the sale of its goods. Austrade will only deem the A\$500,000 export earnings amount.
